

tox_callback_self_connection
_status

```
graph LR; START_TEST[START_TEST] --> tox_callback_self_connection_status[tox_callback_self_connection_status];
```

A diagram showing a relationship between two boxes. On the left is a gray box with the text 'tox_callback_self_connection' and '_status' on two lines. On the right is a white box with the text 'START_TEST'. A blue arrow points from the 'START_TEST' box to the gray box.

START_TEST
