

networking_at_startup

```
graph LR; A[networking_at_startup] --> B[current_time_actual]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'networking_at_startup'. The right box is white and contains the text 'current_time_actual'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

current_time_actual
