

group_av_groupchat
_delete

```
graph LR; A["group_av_groupchat_delete"] --> B["kill_group_av"]
```

A flowchart with two rectangular boxes. The left box is light gray with a black border and contains the text "group_av_groupchat_delete". A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text "kill_group_av".
